CCTS DIGEST

Center for Clinical and Translational Science

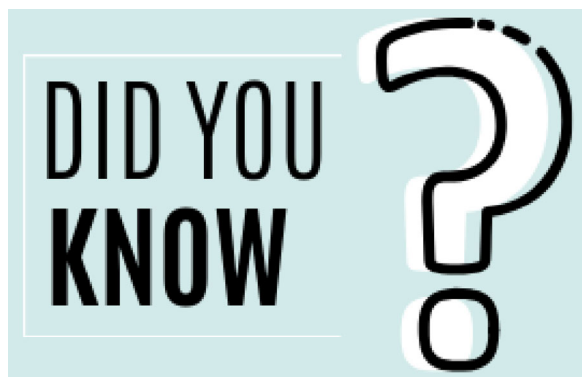

The latest clinical and translational science news, events, and funding opportunities for the CCTS Partner Network

i2b2: What It Can Do For You

Informatics for Integrating Biology and the Bedside (i2b2) is an NIH-funded scalable informatics framework designed for translational research. Read on to find out what makes it a unique and useful tool for designing and completing clinical studies.

Clinical & Translational Science Training Program Application Deadline Extended

The Request for Applications for this six-month certificate program that provides training in clinical and translational research will remain open until Friday, November 22.

Learn more about the CTSTP RFA.

The **NIH** recently awarded five new grants aimed at better understanding rare diseases and the CCTS has relationships with two of the five new consortia:

- **Congenital and Perinatal Infections Rare Diseases Clinical Research Consortium.** Lead: The University of Alabama at Birmingham | CCTS Connection: David Kimberlin (PI)
- **Myasthenia Gravis Rare Disease Network.** Lead: The George Washington University | CCTS Connection: Gary Cutter, Former CCTS

Funding Opps. & Deadlines

Predoctoral Clinical/Translational Research Program (TL1)

Apply by Sunday, December 1

Strategies to Improve Health Outcomes and to Reduce Disparities in Rural Populations (R01 Clinical Trial Optional)

Apply by Friday, December 13

Ethical Issues in Translational Science Research (R01 Clinical Trial Optional)

Letter of Intent Due Monday, January 6

Doris Duke Charitable Foundation 2020 Physician Science Fellowship

Apply by Tuesday, January 7

Lectures & Learning

SPECIAL TOPICS IN CLINICAL TRIALS

Special Topics in Clinical Trials

The CCTS Clinical Research Support Program (CRSP) team will provide an OSP Workshop on the How Tos with OSP Submissions.

Nov. 12 | 12-1pm | West Pavilion | Zoom Available

[Add to Calendar](#)

FRIDAY FELLOWS

Friday Fellows

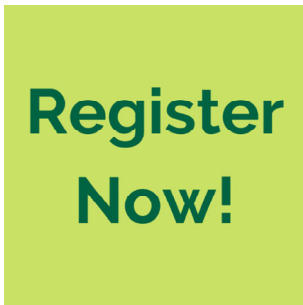

This meeting provides the opportunity for T32 pre and post docs, investigators, and others interested in population and health outcomes research to discuss best practices in a supportive "discipline agnostic" environment. Meet other researchers and have FUN!

Nov. 15 | 8-9:30am | PCAMS | Zoom Available
[Add To Calendar](#)

2nd Annual CCTS Translational Training Symposium
Hope you're planning on seeing the CCTS in Gulf Shores for this incredible training opportunity.

Nov. 14-15 | The Lodge at Gulf State Park
[Add to Calendar](#)

Dissemination and Implementation Science Workshop
This workshop aims to bring together investigators, clinicians, agencies, and CBOs to foster dialogue and build research capacity around dissemination and implementation science.

Register here.
Nov. 19 | 9am-1pm | Edge of Chaos | Atrium
[Add to Calendar](#)

Bioinformatics Powertalk Seminar
Hemant Tiwari, Ph.D. will present "Polygenic Risk Scores: Are They GPS for Clinical Practice?"

Nov. 22 | 10:15-11:30AM | SHEL, 105 | Zoom Available
[Add to Calendar](#)

Save the Date: CCTS Monthly Forum
December's Monthly CCTS Forum will feature the launch of U-BRITE 2.0! Stay tuned for more details.

Dec. 11 | 4:00pm | PCAMS | Zoom Available
[Add to Calendar](#)
