An Immersive Experience for Future Educators

**YOU WANT TO INVEST IN YOUR FUTURE STUDENTS,
SO WE WANT TO INVEST IN YOU.**

WHO WE ARE

TRIO Teacher Prep Program (TTPP) is a federally funded program through the U.S. Department of Education. We are specialized to Education majors, and because of that, we offer a teacher's approach to preparing our students for their future in education. We serve 140 students within The School of Education who identify as first-generation, limited income or as a person with a documented disability.

WHAT WE DO

The TRIO Teacher Prep Program at UAB is designed to train, support and prepare students for their future in education. We understand that teaching is a holistic practice, so it requires a holistic approach. Offering supplemental support beyond the classroom is a crucial tool helping Education majors build their CV, prepare for their first year of teaching, and prepare to help their future students succeed. In other words, you want to invest in your future students, so we want to invest in you. We do this by offering an immersive teaching experience that gives you the tools to succeed, both inside and outside of the classroom.
